The above table reads: if an application is submitted, membership is subsequently granted, and the acceptance occurs during July, the applicable dues for an Institutional Membership would be \$353.25 (plus the \$50 Application Processing Fee). The dues would pay the membership through December 31 of the same year. As of January 1 of the following year, that institution's dues would increase to the Full Annual Amount that may be applicable at the time. If an applicant applies and is accepted during the fourth quarter of the year, the Full Annual Amount would be payable but the dues would be paid through December 31 of the following calendar year.

Please note that dues are not refundable. In cases where an Institutional application is made but the applicant fails to meet the criteria, the alternative of Associate Membership will be offered and the \$50 Institutional application fee will be returned. However, if the organization accepts the Associate Membership and subsequently wishes to apply for a change of status to Institutional, the \$50 Application Fee will be required with the new application.

Should you have any questions regarding the calculation or submission of membership fees, please feel free to contact AAfPE Headquarters at 222 S. Westmonte Drive #111, Altamonte Springs, FL 32714 (email: info@aafpe.org; telephone 407-774-7880; fax 407-774-6440).
